

PARENT'S morning

Thank you for attending the class teas for Caterpillar Class on Wednesday 18th October 2023 . It was lovely to see so many parents. We would like to share the amazing comments we received.

I've always been made to feel welcome by every member of staff, and love how my child comes home and tells me about her day and all the activities she has been doing. I also love the interaction of Class Dojo.

Excellent, my child's keyworker is brilliant, my child has already changed since starting Pre School.

I feel that my child is doing perfectly and is improving her skills, both verbally and physically.

I loved the approach of treating each child independently on their first day so that we as parents could stay as long as we wanted or needed. My child has gained in confidence and has started to express her feelings more accurately since starting. I am very reassured as a parent.

I am happy my child is settling well, he loves getting ready to come to Pre School. I feel reassured that he is getting on so well.

We are both happy with how well our child has settled into Pre School, we are really pleased with the feedback we have received today.

I got a great insight into my child's day at Pre School, she is happy to come to Pre School and leaves really happy when she comes home.

We are very grateful for today's meeting, we are always updated and can see from Class Dojo that she has settled and is getting more involved, even though separating and collection can still be emotional.

Amazing, his speech has improved massively, he has an amazing bond with his key worker already he has settled so well, it has been great seeing all the activities and work that he has produced on Class Dojo or in his book bag.

My child loves coming to nursery and it's nice to be kept updated with her progress.

My child can't wait to come to Pre School, happy to hear how well she is progressing, thank you to all the staff.
